Department of French as a Foreign Language - DEFI

DEFI is the hub for teaching French as a Foreign Language (FLE) in Lille University's Language Centre (CLIL).

All FLE courses at DEFI are based on the 6 levels (A1/A2/B1/B2/C1/C2) of the Common European Framework of Reference for Languages. The student is to achieve proficiency in the language as a means of communication and action.

DEFI is part of the Campus-FLE ADCUEFE university network, directly involved in the FLE's didactics research and educational innovation.

For whom ?

DEFI has French courses for foreign Degree, Masters and PhD students wishing to learn or improve their French language skills. ECTS credits can be validated on these courses.

In addition, a French Studies University Diploma (DUEF) is offered to a foreign but French-speaking public resident in France outside any exchange programme. The curriculum also prepares for FLE certifications (TCF, TCF-DAP, DELF and DALF). When you enrol on the DUEF, you become eligible for a study visa.
